DETAILED ACTION

Response to Remark

1. This communication is considered fully responsive to the Amendment filed on 01/31/08.
 - a. The Examiner acknowledges that RCE has been filed for reconsideration.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

3. Claims 4, 16-18, 26, 27, and 31-37 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

In claims 4, 16, and 26, the selecting method was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed.

4. Claims 26, 27, and 37 are rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential steps, such omission amounting to a gap between the steps. See MPEP § 2172.01.

In claim 26, the comparison step for indicating validity of data packet as in claims 1 and 16 is missed.

5. Claims 26, 27, and 37 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 26, the selecting function by the selector is confusing. Does it select from one of the first decoded signal, information pertaining to the peripheral device, and outgoing payload data? Claims 1 and 16 only select one out of two elements.

Allowable Subject Matter

6. Claims 4, 16-18, and 31-36 are would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 1st, set forth in this Office action.
7. Claims 26, 27, and 37 are would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 1st and 2nd paragraph, set forth in this Office action.
